# WHO WE ARE

## About Yampialex Limited

Yampialex Limited is wholly Ghanaian owned Local Company established in the year 2021 in the Ahafo Region , Yamfo and legally established in the Republic of Ghana with a valid tax identification number C0059208015 provided by the Ghanaian Revenue Authority.

We are a civil and mechanical construction company currently executing civil and piping works for Newmont Ghana Gold Limited ( NGGL ) on the Ahafo North Project. The company is led by a team of directors and technical officers with extensive experience across a wide spectrum of the construction industry. This collective expertise positions Yampialex Limited to deliver excellence in Civil Works, Piping Installation, Structural Maintenance, and Concrete Infrastructure Projects in Ghana.

## Our Culture

At Yampialex Limited, we believe that how we work matters just as much as what we build. Our work culture is rooted in respect for each other, for our clients, and for the communities we serve. We work as a strong team, where we support one another, and bring practical, hands-on solutions to every project. Safety, honesty, and delivering excellence work on not just our guidelines but part of our everyday commitment and who we are. Whether on site or in the office, we take pride in staying practical, fixated, and always ready to grow together.

## Mission

To be a leading indigenous construction partner in Ghana, recognized for delivering high-quality, safety-driven civil and mechanical infrastructure solutions that power industrial and community growth.

## Vision

Yampialex Limited is committed to delivering excellence in civil and mechanical construction through a skilled workforce, innovative solutions, and a steadfast focus on safety, quality, and timely project execution. We aim to build lasting partnerships by exceeding client expectations and contributing to sustainable development across Ghana's mining and industrial sectors.

## Our Journey: From Humble Beginnings

Established in 2023, Yampialex Limited is a wholly Ghanaian owned construction company incorporated, with a clear focus to construct Safe, Durable, and Timely infrastructure and engage in all aspects of civil & mechanical construction. We entered construction world with strong leadership in the form of technical advisers carrying years of experience in the field.

From the start, we have worked to create something beyond infrastructure. We focused on building trust. We collaborated on our first projects with Newmont Ghana Gold Limited on the Ahafo North Project through civil and piping works, opportunities we seized to demonstrate the practical, problem-solving nature of our work. What began as building wash pads, slabs and plinths soon became full workshop construction, concrete tanks and structural across complex the mining environment.

Our confidence in bidding for major projects has always been successful as a result of the hard work from our highly skilled workforce that constantly delivers quality, safety-compliant work on schedule and to exact client specification. Each completed project not only strengthened our portfolio but also deepened our reputation as a dependable and efficient contractor in Ghana's mining and construction sectors.

From 2024 onwards, Yampialex began securing significant contracts, most notably with **Newmont Ghana Gold Limited**. This partnership catapulted our visibility and operational capacity. We invested in skilled personnel, equipment, and safety systems to match the demand of larger projects.

# OUR SERVICES

- Civil Engineering (concrete works, drainage, retaining walls)
- Structural Concrete (High-Level Tanks, slabs, plinths)
- Piping & Mechanical Installations
- Infrastructure Maintenance
- Construction Project Management

No.	Project Description	Client / Location	Year	Status
1	Heavy Vehicle Wash Pad	Newmont Mining Department	2023	100% Complete
2	Light Vehicle Wash Pad	Newmont Mining Department	2023	100% Complete
3	Generator Set Plinth	Newmont Mining Department	2023	100% Complete
4	Workshop Slab (Toyota)	Newmont Mining Department	2023	100% Complete
5	Silt Trap & Oil-Water Separator	Newmont Mining Department	2023	100% Complete
6	Electric Pole Pedestals	Newmont Mining Department	2023	100% Complete
7	Kal-tire Laydown	Newmont Mining Department	2023	100% Complete
8	Mantrac Laydown	Newmont Mining Department	2023	100% Complete
9	Workshop Construction	Newmont / De Simone	2023	100% Complete
10	Vehicle Wash Pad	Newmont / De Simone	2023	90% Complete
11	Silt Trap & Oil-Water Separator	Newmont / De Simone	2023	45% Complete
12	Genset Plinths	Newmont / De Simone	2023	100% Complete
13	Lab & Eating Area Concrete Slabs	Newmont / De Simone	2023	100% Complete
14	Underdrains (IWP & TSF)	Newmont	2024	Ongoing
15	Fencing for Jodi Drilling Company	Jodi Construction	2024	100% Complete
16	Stone Pitching	Lycopodium Minerals Ltd	2024	Ongoing
17	Footpaths	Lycopodium Minerals Ltd	2024	Ongoing
18	Culverts	Lycopodium Minerals Ltd	2024	Ongoing
19	Retaining Wall	Lycopodium Minerals Ltd	2025	100% Complete
20	Access Chambers & Valve Pits	Lycopodium	2025	Ongoing
21	Bollards & Slabs for Fire Hydrants	Lycopodium	2025	Ongoing
22	Perimeter Pole Plinths	Lycopodium	2025	Ongoing

# OUR TEAM

At Yampialex Limited, we're more than just a company but a team of people who care deeply about the work we do and the people we work with. Every project undertaken is backed by the perseverance, discipline, and skill of our directors, engineers, technical officers, and support staff, all working toward achieving our vision of building infrastructure that makes a real difference across Ghana's industrial and mining landscapes.

Our team is comprised of individuals with rich backgrounds in civil engineering, mechanical works, and project management. What binds us isn't just experience, it's a shared attitude. We work side by side on site, and solve challenges with a practical, can-do approach. People are at the center of everything we do. Whether it's our skilled site supervisors, our focused admin team, or our hardworking field crews, every team member plays a key role in what makes Yampialex strong. We're committed to growing together, supporting one another, and continuing to learn. It's this sense of teamwork and respect that fuels our success and that shows in the quality of our work.

## Key Clients & Partners

At Yampialex Limited, our progress has been built on strong relationships with industry leaders who trust us to deliver quality infrastructure, safely and on time. We're proud to have worked alongside some of the most respected names in mining, construction, and engineering clients and partners who value our integrity, practical expertise, and hands-on approach.

- **Newmont Ghana Gold Ltd.**

A leading mining company and one of our primary clients, Yampialex has successfully executed multiple civil and mechanical infrastructure projects on the Ahafo North Project.

- **Lycopodium Minerals Ltd.**

A key engineering and project management partner, under which we are delivering drainage systems, culverts, retaining walls, and other structural works.

- **Jodi Drilling Company**

We provided perimeter fencing and infrastructure support services, demonstrating our flexibility and responsiveness to client-specific needs.

- **De Simone Ltd.**

A trusted construction partner, with whom we have collaborated on large-scale workshop construction and site infrastructure development.

**Newmont**

**Lycopodium**

**DE SIMONE LTD**

## **Health, Safety & Environment (HSE)**

### **Occupational Health and Safety (OH&S) Policy**

At Yampialex Limited, our Occupational Health and Safety (OH&S) Policy reflects our commitment to safeguarding the health, safety, and well-being of our employees, contractors, clients, and all stakeholders. As a civil and mechanical construction company operating in high risk industrial and mining environments, we prioritize injury prevention, risk reduction, and continuous improvement of our safety practices.

We are committed to:

- Preventing injuries and ill-health by proactively identifying, assessing, and controlling hazards in all areas of our work.
- Complying with all applicable legal and regulatory requirements related to occupational health and safety.
- Continually improving our OH&S management system to adapt to changing project demands and industry standards.

To this end:

- All supervisors are accountable for ensuring that employees receive proper training in safe work procedures and understand their responsibilities in maintaining a hazard-free work environment.
- Every employee is required to support our OH&S program by making safety a core part of their daily duties, reporting unsafe conditions, and adhering to established safety protocols.
- Safety accountability is shared across the organization where every individual is responsible for upholding and implementing our safety culture.

All relevant local and international OH&S laws, guidelines, and best practices are integrated into our program to ensure a robust and effective system of prevention and compliance.

## Our OH&S Objectives

- To ensure full compliance with occupational health and safety laws and regulations.
- Cultivate a strong safety culture throughout all levels of the company.
- Minimize incidents and near misses through proactive planning and risk control.
- Continuously adapt our practices in response to evolving industry conditions and project needs.
- Promote the physical, mental, and social well-being of our workforce.
- Engage and consider the needs of all interested parties including clients, regulators, and communities.
- Customize work environments to suit employee safety and comfort.
- Integrate OH&S practices into all organizational operations, services, and collaborations.

## Corporate Mission

Yampialex Limited strives to be a leading Ghanaian construction company delivering high-quality, reliable, and safety-compliant infrastructure in the mining and industrial sectors. We are committed to empowering our workforce through safe working conditions, skill development, and accountability, thus creating long-term social, environmental, and economic value for our clients, employees, communities, and partners.

We believe that a **safe and healthy workplace** is not just a requirement but a foundational value that supports innovation, productivity, and sustainable development.

## Future Outlook

Looking ahead, Yampialex aims to enlarge regionally, seek ISO certification, and diversify into other civil and mechanical infrastructure. Our focus remains on sustainable, efficient, and quality delivery for every client.
